Professional profile

Sara Beth Shaw is an experienced Case Management Assistant with a background spanning nursing, client liaison, private in-home care, support for victims of human trafficking and financial administration. She supports rehabilitation case managers to coordinate responsive, client-centred services for adults and children.

Originally trained in nursing in the United States, Sara relocated to the UK in 2017. Her work through the National Referral Mechanism involved coordinating legal, medical and social support with compassion, accuracy and sound professional judgement.

Since returning to healthcare in 2024, she has focused on clear communication, dependable administration and constructive relationships with clients, families and multidisciplinary professionals. Her financial experience also brings strong attention to budgets, problem-solving and practical delivery.

What I bring

- **Client-centred support**
